Project #761: Halloween Witches Hats!

- Create a Halloween hat such as the Witches hat or other shapes as you wish for your costume ideas.
- If you make a witches hat, you may like to make a a rim for the hat that may be attached with a glue stick.
- Make a thin band out of orange construction paper to place between the rim and upper part of the hat.
- Draw in some details for the hat, ban and rim if you like,
- Sparkles are nice for this.
- You may also like to add other items such as small pieces of scrap paper.
- Try some stickers
- Add some small pumpkin shapes, stars etc.
- Try some stretched cotton as it may look like spider webs.
- Think of other ideas such as Qtip painting, stamps. String, tissue paper, confetti etc.

Song: "Three Little Witches"

One little, two little, three little witches

Flying over star lights, flying over ditches.

Sliding down moon beams without any hitches.

Hey Ho, Halloween is Here!
