Project #767: Remembrance Day Poppy Stick!

- Colour two coffee filters red with some felt markers, paint or food colouring.
- Or use Red construction paper to form a poppy shape/s
- When it is dry and ready for more details, supply a black circle of paper for the center.
- Add other details as you like.
- Try some red tissue paper, red sparkles and place more details onto the poppy such as the flower lines you may see on a real poppy.
- Add some paper leaves to this.
- When it is complete, tape this poppy to a popsicle stick or a straw.
- Use these Poppy sticks to sing or do a puppet show with.
- Keep in mind that these are in remembrance of the soldiers who fought for our country to protect us.

Activity: Poppy Stick Parade

Find some music or songs relevant to Remembrance Day. Play the music and walk or dance gently.
