Project #800: Santa Art!

- Make some shapes that could be used to design your own Santa
- Supply the cotton for the beard or wool.
- Red markers to colour the hat or red paper
- Use Red sparkles to decorate.

- Cloth pieces could also be used for the hat and Santa Suit.
- Try some black shiny paper for the boots.
- Add a small paper bag for the Sack Santa carries!
- Make some scenery around Santa.
