Project #790: Snow Owls!

- Make a basic shape of the owl body.
- Make some paper wings.
- Glue these onto the body.
- Add some details of the face with drawing and/or stickers.
- Googly eyes can be used for children 3 Plus.
- Add foot details with more paper if you like.
- Add some light weight wool or feathers for the owl details if you like.
- If you would like to make a collage or picture, add some scenery or more owls.
- Trees may be made with pieces of cut paper as well.
- Add snowy scenes with cotton.
- Try using white paint and a QTip.

Listening Skills: Owl Sounds

Practice hooting or whoo sounds. Listen to some owl recordings. Watch videos of owls and their habitat.
