### Project #804: Rainy Day Art!

- Umbrellas can be cut to shape.
- Children can glue on rain drops and other shapes.
- They may also like to draw curved lines to shape the umbrella or adults may help with this.
- Use a Bingo dabber would also create a good colourful design.
- Try QTip painting.
- Sponge painting.
- Glue this umbrella onto another piece on construction paper.
- Add rain drops to create the rain around the umbrella.
- Add people or animals under the umbrella.
- Add scenery or buildings.
- Add trees.
- Use stickers if you like. This is less creative but younger children may like this.
- Try bubble paper raindrops. Cut out the raindrop shape to glue onto your creation.

### Song/chant: "Rain is Falling Down"(actions cover eyes & peek)

Rain is falling down, Splash! Rain is falling down, Splash!  
Pitter patter, pitter patter, Rain is falling down, Splash!  
Sun is peeking out, Peek! Sun is peeking out, Peek!  
Peeking here, Peeking there. Sun is peeking out, Peek!
