Project #808: St Patrick's Day Pot of Gold!

- Cut out a black pot of gold shape.
 - Provide children with some gold round stickers.
 - Provide some cut out shapes of shiny gold circles.
 - Attach as many pieces of gold shapes to the outside of your pot as you like.
 - If you glue your Black Pot onto another piece of paper, you may like to add the "gold" to the top as to make it appear the pot is full of gold!
 - Add some "gold circles" to look like they may be spilling out of the pot or laying beside the pot.
 - Add a rainbow to one side of the pot as it is lucky to find a pot of gold at the end of a rainbow.
- If you have a sticker of St Patrick, you may put it at the beginning of the rainbow and the gold at the end of the rainbow!

Books: Provide some books of St Patricks Day.

Read about this festive Holiday and talk to the children about this festive season in Ireland! Try to learn some Irish songs and listen to the music. It is very festive with the Accordion and Harmonica plus stringed instruments.
