Project #847: Canada Day Baking!

- Bake some cupcakes or a cake.
- Decorate with Canada Day colours. Maybe find some Maple Leaf decorations for your cake or cupcakes!
- Add some red and white sprinkles!
- Coconut sprinkles work well for this.
- If you would like to make basic sugar cookies, prepare the dough with the children.
- Decorate with white icing and red sprinkles.
- Or red icing with white sprinkles.
- Maybe provide some small plastic decorations for your cakes or cupcakes.
- Add a plastic maple leaf!

Activity: Canada Day Picnic!

Picnic in the park or at your own home would be great! Dress in red and white. Provide the deserts and food that you made. Red jello and ice cream would be nice. Sing "Oh Canada"
